

LEAVING A MARK

STORIES OF THE UNSTOPPABLE JESUS

Mark 11:27-33

How To Get God To Leave You Alone

1. Reject God's rule over your life. Vs. 27-28

- The conflict between Jesus and the religious leaders was all about control.
- Are your actions and your attitudes in conflict with Jesus?
- Will you reject or embrace His rule over your life?

2. Fear man more than God. Vs. 29-32

- The religious leaders were faced with a choice:
- Reject Jesus and die or receive Jesus and live.
- Every one of us faces that same choice.

3. Refuse to be honest with Jesus. Vs. 33

- The religious leaders foolishly thought they could make up a third choice: Don't answer the question.
- This is one question you must answer and you must answer honestly- Is Jesus the LORD?
- If you say no, then reject His rule, do not fear Him and feel no obligation to be honest with Him and He will eventually leave you alone.
- If you say yes, then embrace His rule, do not fear man, be honest with Jesus and He will never leave you alone.
